

Homework projects

Social influence

http://www.iwm.org.uk/exhibitions/iwm-london/the-holocaust-exhibition	<p>The Holocaust Exhibition (Obedience)</p> <p>The informative Holocaust exhibition at the Imperial War Museum uses historical material to tell the story of the Nazi persecution of the Jews and other groups before and during World War II.</p>
http://www.bbc.co.uk/programmes/p00f8mzr	<p>Write down 3 things you have learnt about Solomon Asch? Why was his research so important?</p>
http://www.ted.com/talks/philip_zimbardo_on_the_psychology_of_evil	<p>The psychology of evil. Zimbardo. What does Zimbardo suggest evil is caused by?</p>
http://documentaryheaven.com/the-power-of-the-situation/	<p>Milgram's experiment. Write down 3 things about Milgram's experiment.</p> <p>Could you summarise 3 key findings from this documentary?</p>
https://www.youtube.com/watch?v=4b7YFtiE5EA	<p>Derren Brown replicating the Milgram experiment.</p> <p>What did he find?</p> <p>Were they the same as the original experiment?</p>
http://www.jewishmuseum.org.uk/	<p>The Jewish museum (social psychology)</p> <p>Visit the Jewish museum and think about why people obey?</p>
http://www.bbc.co.uk/programmes/b01gf5sr	<p>Jules Rotter and Locus of control. What does this clip suggest about people with internal locus of control?</p> <p>What does it say about people with an external locus of control?</p>
http://www.bbc.co.uk/programmes/b008crhv	<p>Zimbardo and the Stanford prison experiment. Write down 4 new things you learnt from this clip?</p>
<p>Watch the film: <i>'The experiment.'</i></p>	<p>How does the film differ from the original Stanford experiment?</p> <p>Do you think this was an accurate portrayal?</p>
https://www.wlc.edu/uploadedFiles/success/SurveyLocus.pdf	<p>What type of locus of control do you have?</p> <p>How does this affect stress levels? Are you more at risk of stress?</p>
http://topdocumentaryfilms.com/we-have-ways-of-making-you-talk/	<p>Documentary on torture and how to get information out of prisoners.</p>
http://www.bbc.co.uk/programmes/b00b529r	<p>Audio clip: Kitty Genovese. (Bystander effect)</p> <p>Why do some people do nothing when people need help?</p>

Attachment

http://www.bjdd.org/new/105/81to95.pdf	<p>Malekpour. 'Effects of attachment on early and later development.' (2007) Summarise the information into Aims, procedure, findings and conclusions.</p>
https://www.youtube.com/watch?v=hmdycJQi4QA	<p>Genie documentary. Write down 3 bullet points about the effect of privation on Genie.</p>
<p>Research a developmental psychologist.</p> <ul style="list-style-type: none"> • Bowlby • Lorenz • Ainsworth • Harlow 	<p>Create a social media page about the psychologist of your choice.</p>
http://www.bbc.co.uk/programmes/b04581j9	<p>Sir Micheal Rutter on challenging Bowlby's theory. Create 3 evaluative points on Bowlby's theory.</p>
http://nobelprize.org/educational_games/medicine/pavlov/	<p>Pavlov online game. Can you make the dog salivate using only the bell?</p>
http://www.daycaretrust.org.uk/	<p>Find out 3 things you didn't know about day care.</p>
http://www.bbc.co.uk/programmes/b00ly7lp	<p>Write down 4 things about Harlow's Monkey experiments that you didn't know before.</p>
http://www.bbc.co.uk/programmes/p00f8n6g	<p>List to the clip on Mary Ainsworth. Write down 3 new things you learnt about Mary Ainsworth.</p>
http://www.bbc.co.uk/programmes/b01pzt00	<p>Do you think children under 2 should watch TV? Why not create your own podcast about a study?</p>
http://www.ted.com/talks/frans_de_waal_do_animals_have_morals	<p>Watch the following talk on moral behaviour in animals</p>
http://www.ted.com/talks/georgette_mulheir_the_tragedy_of_orphanages	<p>What does this suggest about children in institutional care?</p>
http://www.bbc.co.uk/programmes/b00b7lrb	<p>Wild boy of Aveyron- Is attachment innate? What happens to us when we don't have other humans to attach to?</p>

Memory

http://faculty.washington.edu/eloftus/	<p>The home page for Elizabeth Loftus. There are links to various articles about EWT.</p> <p>Read an article about EWT and create an aims, procedure, results and conclusion for the study.</p>
http://www.kent.ac.uk/psychology/department/people/hollidayr/cognitive2003.pdf	<p>Robin Holliday: 'The Effect of a Prior Cognitive Interview on Children's Acceptance of Misinformation'</p> <p>Read the following research.</p> <p>What does it suggest about age and EWT?</p>
http://human-factors.arc.nasa.gov/cognition/tutorials/ModelOf/memory1.html	<p>Three memory experiments attached. Try one out for yourself on your family and friends.</p>
http://www.bbc.co.uk/programmes/b00yhv36	<p>Write down 3 things you learnt about Loftus and EWT from the audio clip.</p>
http://www.bbc.co.uk/programmes/b00t6zqv	<p>Do you think HM's case study is ethical?</p> <p>What does the case study suggest about memory?</p> <p>Why can't we replicate the study?</p>
http://www.ted.com/talks/daniel_kahneman_the_riddle_of_experience_vs_memory	<p>Watch the following clip. What does it suggest about the relationship between experience and memory?</p>
http://www.bbc.co.uk/programmes/p00f8n47	<p>Listen to Sir Frederick Barlett and his famous study called 'war of the ghosts'. What does it suggest about memory?</p>
http://www.bbc.co.uk/programmes/b015zm90	<p>Cognitive psychologist Steven Pinker talks about the importance of memory.</p> <p>Write down 4 key points.</p>
http://www.ted.com/talks/elizabeth_loftus_the_fiction_of_memory	<p>Loftus on the fiction of memory. Watch the clip. What does Loftus suggest about memory?</p> <p>Why can't it be trusted?</p>
http://www.ted.com/talks/scott_fraser_the_problem_with_eyewitness_testimony	<p>Fraser on the problems with EWT. Write down 5 things that make EWT unreliable?</p>
http://www.ted.com/talks/joshua_foer_feats_of_memory_anyone_can_do	<p>Foer on memory strategies.</p> <p>Try out one of these memory strategies yourself.</p>
http://whoville.ucsd.edu/PDFs/260_RempelClower_etal_JNeurosci1996.pdf	<p>Case studies of memory loss.</p> <p>What does it suggest about the importance of the hippocampus?</p>
<p>Why not watch a film on memory loss:</p> <ul style="list-style-type: none"> • Finding nemo • Machinist • Shutter island • The Vow • Bourne identity • 50 first dates • Memento 	<p>Write about what types of memory loss are in each film. What has caused the memory loss?:</p> <ul style="list-style-type: none"> • What type of memory loss does Dory suffer from? • What causes Christian Bales memory loss? Is it the only thing he suffers from? • In Shutter Island is memory loss the only thing that he suffers from?

Psychopathology

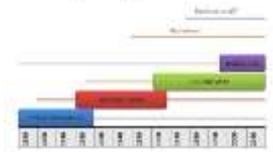

http://www.telegraph.co.uk/news/worldnews/northamerica/usa/8296954/How-One-Flew-Over-the-Cuckoos-Nest-changed-psychiatry.html	<p>Watch one flew over the cuckoos nest. What does it suggest about mental illness? Do you think it was an accurate portrayal?</p>
<p>Watch one of the following films:</p> <ul style="list-style-type: none"> • Vertigo (Phobias) • A beautiful mind (Schizophrenia) • Memento (memory loss) • The Aviator (OCD) • Rain Man (Autism) 	<p>Write 3 key points about the mental disorder? What are the symptoms? How did they suffer? Why do they have the disorder in the first place?</p>
http://documentaryheaven.com/institutionalized-mental-health-behind-bars/	<p>Mental health care system in USA? Does it really work?</p>
http://www.bbc.co.uk/programmes/b01g5yy1	<p>Wolpe and Systematic desensitisation. How does systematic desensitisation treat patients? Who does it help and how?</p>
http://www.bbc.co.uk/programmes/b00lny48	<p>David Rosenhan and the Pseudo patient. Why was this research so revolutionary?</p>
http://www.bbc.co.uk/programmes/p00f8n5n	<p>What does Little Albert (Watson and Rayner) suggest about the way we learn fear?</p>
<p>Research a mental disorder:</p> <ul style="list-style-type: none"> • OCD • Schizophrenia • Depression • Anxiety disorder • Bipolar 	<p>What are the symptoms? How is it caused? How can we treat it? (NHS website is a good place to start)</p>
http://www.dailymail.co.uk/health/article-2449864/Artist-Toby-Allen-imagines-mental-illness-monsters.html	<p>Read the following article. Can you make your own monster for a mental illness?</p>
http://documentaryheaven.com/institutionalized-mental-health-behind-bars/	<p>Institutionalized: Mental Health Behind Bars</p>
http://documentaryheaven.com/psychopath-next-door/	<p>How can we deal with individuals who are classed as psychopaths?</p>
http://documentaryheaven.com/louis-theroux-by-reason-of-insanity/	<p>Louis Theroux explores Schizophrenia and other mental disorders within an institutionalised setting</p>
http://www.bbc.co.uk/programmes/b017w65r	<p>Uta Frith on Brain disorders (E.g; Autism)</p>
http://www.ted.com/talks/laurel_braitman_depressed_dogs_cats_with_OCD_what_animal_madness_means_for_us_humans	<p>Laurel Braitman: Can dogs experience OCD or depression?</p>
http://www.ted.com/talks/oliver_sacks_what_hallucination_reveals_about_our_minds	<p>Oliver Sacks on hallucinations.</p>

<p>http://nymag.com/scienceofus/2015/08/7-of-oliver-sacks-most-fascinating-case-studies.html</p> <p>http://topdocumentaryfilms.com/p-hantoms-in-the-brain/</p>	<p>If you like this try reading about Oliver Sacks case studies:</p> <ul style="list-style-type: none"> • The man who mistook his wife for a hat. • The conductor who lost all his memories, but could still remember music and his wife. • The family man who snubbed his wife and child, but loved strangers, after brain surgery.
<p>http://topdocumentaryfilms.com/stephen-fry-the-secret-life-of-the-manic-depressive/</p>	<p>Documentary- Stephen Fry on manic depression.</p>
<p>http://topdocumentaryfilms.com/multiple-personalities/</p>	<p>Documentary on multiple personalities.</p>
<p>http://topdocumentaryfilms.com/the-boy-with-the-incredible-brain/</p>	<p>Documentary- A twenty-something with extraordinary mental abilities, Daniel is one of the world's few savants. He can do calculations to 100 decimal places in his head, and learn a language in a week. (Autism)</p>

Research methods

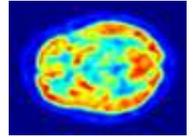

<p>http://www.youtube.com/watch?v=VFjaBh12C6s https://www.youtube.com/watch?v=5fGu8hvdZ6s https://www.youtube.com/watch?v=pGfwj4GrUIA</p>	<p>Watch these BPS videos on statistics. Write down some definitions of the key words based on the dance.</p>
<p>http://nationalzoo.si.edu/animals/webcams/ http://sandiegozoo.org/videos/</p>	<p>Make your own naturalistic observations. How often does the animal feed? How often does the animal sleep? Are there any behaviours that are strange? What kind of observation did you use? And why?</p>
<p>https://www.youtube.com/watch?v=uQAmZvKf6M http://topdocumentaryfilms.com/a-class-divided/</p>	<p>Do you think Jane Elliots study was ethically sound?</p>
<p>http://www.bbc.co.uk/programmes/b00t97xf http://documentaryheaven.com/dr-money-and-the-boy-with-no-penis/</p>	<p>Dr Money and the boy with no penis. What ethical issues can you see breached in this case study?</p>
<p>http://www.intuitor.com/statistics/T1T2Errors.html</p>	<p>Type 1 and Type 2 errors in the justice system. What is the difference between type 1 and type 2 errors?</p>

Approaches

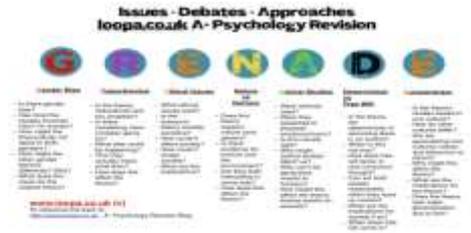

http://documentaryheaven.com/dream-interpretation/	Psychodynamic approach- Psychoanalysis uses a wide range of Projective testing including dream analysis.
http://www.ted.com/talks/carl_schoonover_how_to_look_inside_the_brain	Biological approach- Brain scanning techniques. Write down why you think brain scanning techniques are a scientific and reliable measure?
Freud Museum http://www.freud.org.uk/	Psychodynamic approach- The home of Sigmund Freud and his family until 1982, this museum helps students to understand Freud's approach and aids exam knowledge.
http://topdocumentaryfilms.com/brain-secret-history/	Biological approach- Documentary on the brain
http://www.bbc.co.uk/programmes/b00tjf56 Dora http://www.bbc.co.uk/programmes/b00bg335 Little Hans	Psychodynamic approach: Listen to one or both of these clips. Both are case studies of Freud patients. What does this suggest about psychoanalysis?
http://www.ted.com/talks/steven_pinker_chalks_it_up_to_the_blank_slate	Behavioural approach- Tabula Rasa
http://www.bbc.co.uk/programmes/b01pzt00	Behavioural approach- Should babies under 2 watch TV?
http://www.bbc.co.uk/programmes/b0639gxg	Behavioural approach- Skinner's Pigeons
http://www.bbc.co.uk/programmes/b015zm90	Steven Pinker on cognitive Psychology
http://www.ted.com/talks/martin_seligman_on_the_state_of_psychology	Humanistic Psychology- The power of Positive Psychology
http://www.bbc.co.uk/programmes/b063ztb0	Humanistic approach- Carl Rogers and the person centred approach
http://www.bbc.co.uk/programmes/b01rw8mw	Humanistic approach- Maslow's hierarchy of needs.

Biopsychology

http://www.bbc.co.uk/iplayer/episode/b06dsmn1/countdown-to-life-the-extraordinary-making-of-you-2-against-the-odds	<p>BBC documentary: The making of you. In the Dominican republic a genetic abnormality that makes young girls become boys at puberty.</p>
http://www.nobelprize.org/educational/medicine/split-brain/splitbrainexp.html	<p>Split brain experiments game.</p>
http://www.bbc.co.uk/programmes/b038c5qj	<p>Russell Foster on Circadian rhythms</p>
http://www.ted.com/talks/russell_foster_why_do_we_sleep	<p>Russell Foster- why do we sleep. What does Foster suggest about the function of sleep?</p>
http://www.bbc.co.uk/programmes/b06j1qts	<p>Plomin's research on genetic intelligence.</p>
http://www.bbc.co.uk/programmes/b05mrn29	<p>Audio clip of Sarah Jane Blakemore talking about the adolescent brain.</p>
http://www.ted.com/talks/sarah_jayne_blakemore_the_mysterious_workings_of_the_adolescent_brain	<p>Sarah Jane Blakemore explaining how the teenage brain changes on a neurological level</p>
http://www.bbc.co.uk/programmes/b01mc11f	<p>Richard Dawkins on human evolution</p>
http://www.ted.com/talks/ariel_garten_know_thyself_with_a_brain_scanner	<p>Ariel Garten on Brain scans and knowing yourself.</p>
http://www.ted.com/talks/gero_miesenboeck	<p>Gero Miesenboeck on fruit flies and mapping and changing neurons in the brain.</p>
http://www.ted.com/talks/siddhant_chandran_can_the_damaged_brain_repair_itself	<p>Neural plasticity TED talk.</p>
http://www.bbc.co.uk/programmes/b017w65r	<p>Brain disorders (Dyslexia)</p>
http://topdocumentaryfilms.com/the-secret-life-of-the-brain/	<p>Documentary on the secret life of the brain.</p>
http://topdocumentaryfilms.com/alone/	<p>Documentary on sensory isolation using brain scanning techniques to show the effects of severe deprivation.</p>
http://documentaryheaven.com/tourettes-swear-cant-help/	<p>Documentary on the neurological condition: Tourettes</p>

Issues, debates and approaches
