

KS3 Extension homework

First two apply to all years - any term:

- Research artists that link to your current topic. Choose your favourite- what do you like about their work? How could you use ideas from their work in lessons?
- Visit an Art gallery. Find 3 pieces of art that link to your current topic. Draw from one of them. Make note of the names of the artists.

Year 7

Natural Forms:

- Do a drawing of one or more natural forms. Add colour using pencils or paint.
- Create a collage using natural forms and photograph it. Look at Andy Goldsworthy's art work to get ideas.

A View Through (Fauvism):

- Draw the view through a window. Add colour using pencil. Practice colour blending.
- Make a colour wheel out of found objects. Photograph your

Cultures:

- Design your own cultural mask- based on a culture of your choice. Add colour using pencils or paint.
- Make a mask out of recycled materials- such as plastic bottles. You could add paper mache and paint it. Bring in a photograph of your mask.

Year 8

Imaginative World:

- Draw a number of different objects from observation. Add windows and doors to change them into buildings. Add colour using pencils or paint.
- Take photographs of interesting buildings. Print out then draw onto the buildings in a creative way. You could add extra floors, chimneys, change the colour/ texture of buildings.

Zoomorphic:

- Draw a pot, vase or jug. Add features of an animal. Add colour using pencils or paint. You could draw it from the back a front.
- Make a free standing sculpture of an animal, using recycled materials such as card board boxes. You could add colour using paint. Bring in photographs of your sculpture.

Pop Art:

- Draw your favourite food/ meal using the pop art style. Add bold colour and a thick outline. You could include dots and/or stripes in your design. Look at Roy Lichtenstein's work to get ideas.
- Make your own repeat print. Look at Andy Warhol's work to get ideas. You could make the print using a potato or card board and string.

Year 9

Portraits:

- Draw a self- portrait. You could draw from a mirror or a photograph. Add colour using colour pencils or paint.

- Create a portrait collage using any material you have. You could use recycled materials. Look at Pablo Picasso's work to get ideas.

Surrealism:

- Draw an object and morphs into something else. Eg. Half a fork and half a fox's tail. Add colour using pencils or paint.
- Create your own surreal sculpture. You may wish you use found objects and paint on different textures.

Me and My World:

- Draw something that interests you. It could be to do with a hobby. Use any materials you like.
- Design your own bag or shoe that shows your personality. You could include lettering.

Year 12 and Year 13 extension home works
