Latest Government News About The 2021 Summer Exams

Dear Parents/Carers and Students

Amongst yesterday's announcements from the Government the Exam Boards have now published their plans for the 2021 Summer Exams.

At the present time they are intending for one English and Maths GCSE paper to be sat before the May half-term and the rest of the GCSE and A-Level exams to take place after the May half-term, between the 7th June 2021 and 2nd July 2021. Once the exact dates for each subject have been announced, likely to be after Christmas, we will communicate this to everyone concerned.

The results days were also announced and these will be:-

Tuesday 24th August 2021 for Year 13

Friday 27th August 2021 for Year 11

We will of course keep you updated throughout the year as more information becomes available to us.

Yours sincerely
