## Thank You For Your Support

Dear Parents and Carers

Over the past few weeks, we have been delighted to receive a stream of lovely emails, posts and 'Tweets' from our Parents and Carers, all wishing to express their gratitude and support towards our staff and the work that we have been doing during these difficult times.

We would like to express our thanks to all of you that have taken the time to send these in or commented on social media. All messages and posts have been passed to me and each week they are sent out in a weekly staff newsletter to ensure that every member of staff gets to read them and know that their time and effort is greatly appreciated.

In the 'Tweets' a number of people suggested that parents and carers could give feedback to Ofsted. This is a wonderful idea and will really benefit the school when we have our next inspection. If you wish to express your views officially can I please point you in the direction of using their ['Give Your Views'](#) on the OFSTED website instead of tagging them, as this will ensure that your comments are allocated to the OFSTED Parent Review Survey of the School.

Thank you for your continued support and we look forward to seeing everybody back in school when the restrictions are lifted.

Kind regards

**Miss Chivers**  
**School Administrator**
