## **YEAR 11 Core PE Schedule**

Dear Parents and Carers of Year 11

Just wanted to give you an update on kit arrangements in Year 11 'core' PE lessons.

Currently the boys are changing footwear and taking part in Badminton and Table Tennis lessons and the girls are getting changed and taking part in Rounders and Cricket. As of next week, we will be rotating around and students need to be aware of this so they bring in the correct kit. This will then rotate up until half term, this will then be reviewed and further information will be sent out to you and your child(ren).

Please can you remind your son/daughter of the arrangements and make those who are doing Table Tennis (11rPe4 & 11w/Pe4) that they need to meet in the Main Hall where they will be greeted by their teacher and are able to change their footwear in the changing facilities.

I would also like to thank the students for a smooth start to the term, long may it continue.

Kind regards

**Mr J. Cook**  
**Head of PE and Public Services**
