

12<sup>th</sup> September 2016

To Parents/Carers of Years 10 & 11 Geography students

Dear Parents/ Carers

**'Wide World' magazine**

'Wide World' magazine is published four times a year and contains articles, advice, revision tips and model exam answers for GCSE Geography students. The magazine is clearly presented and can help students to consolidate their understanding of core themes, develop their subject knowledge and improve the quality of their written work. It is a useful learning resource and a valuable supplement to the usual revision and exam preparation activities in Years 10 and 11.

An annual subscription to the magazine costs £10.00 and can be purchased through the Geography Department. This provides you with 4 magazines over the year. Please complete the reply slip below and return it to your son's/daughter's Geography teacher. Payments have to be made via parent pay.

Yours sincerely

**Mr J Wolfenden**  
**Head of Humanities**
