Parent Calendar

The Parent calendar is available on our website; it is continually being updated so please do refer to the website for updates.

Mrs M French

Head's PA & Office Manager

IMPORTANT MESSAGE RE PARKING/DROPPING OFF STUDENTS

May I please remind parents/carers to use the drive at the front of school when dropping off or collecting students at the beginning of and during the school day.

However, would parents/carers please respect that, from 2:30pm onwards, the front of school is for taxi and bus use only. Unfortunately there were many incidents last term when our students with wheelchairs were forced to enter their transport from the middle of the road because parents/carers had parked in the bays. As you can appreciate, this is a huge safety concern for both our students and their taxi drivers.

Your consideration is much appreciated, thank you.

Mr C Carter

Deputy Head

Headteacher: Christine McLintock

Reminder for Yr11 ICT students

Please note that for Yr 11/IT the **deadline for Unit 3 coursework is 13th October 2017**.

This is an important deadline to meet the requirements of the course qualification. Catch-Up Classes will run on Tuesday after school until October half term from 3pm to 4pm. Students should please make every effort to attend.

Mrs Holt, Leader of IT

Clubs & Activities –Autumn Term

The PE Department list of Winter Extra Curricular Activities is now on our website. The list of other school clubs & activities will be placed on our website in the next few days.

Important—Leave of Absence requests for students

Should leave of absence be required for a student, parents/carers should please complete the leave of absence form obtainable from our website under the parents section, 'absence'. Please see the following link to the form:

News from the PE Department

Cheerleading

Year 11 student, Tia Salter, was selected to represent Europe for Cheer Partner Stunt. In May she competed in Croatia and came 1st and is now officially "European Champion" in this category. Tia worked extremely hard and sheer determination and hard work gained her a truly amazing result. Everybody in the SWR PE department would like to congratulate Tia on her fantastic achievement.

Well Done Tia !
