### Peer on peer abuse

**All** staff should be aware that children can abuse other children (often referred to as peer on peer abuse). This is most likely to include, but may not be limited to:

- bullying (including cyberbullying);
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
- sexual violence, such as rape, assault by penetration and sexual assault;
- sexual harassment, such as sexual comments, remarks, jokes and online sexual harassment, which may be stand-alone or part of a broader pattern of abuse;
- Upskirting, typically involves taking a picture under a person's clothing without them knowing, with the intention of viewing their genitals or buttocks to obtain sexual gratification, or cause the victim humiliation, distress or alarm.
- sexting (also known as youth produced sexual imagery); and
- initiation/hazing type violence and rituals.

Remember to record **all** concerns, comments from parents, things you have witnessed or things you have heard, on MyConcern. **No matter how small it might seem—it is always better to record it!**

Please remember the member of staff who first receives a safeguarding disclosure, or the member of staff who has the initial concern, must log it on MyConcern, DSL's will then pick it up and take it from there. **Do not ask another member of staff to log it on your behalf.**

**Next Generation** — If you are experiencing any difficulties using the next generation MyConcern, please do not hesitate to ask Sheryl Hilton for support.
