Additional INSET Day Friday 11th June 2021

Dear Parents and Carers

You will be aware that this year, the summer external exams were cancelled nationally with each school having to determine the Centre Assessed Grades (CAGs) for students instead. Our Year 11 and 13 Students have been undertaking assessments since before Easter and we are now moving towards the final decisions about their grades.

We will have around 2000 individual Centre Assessed Grades to decide and submit by 18th June 2021.

To enable our Teachers to have enough quality time in deciding upon the final Centre Assessed Grades, we will be having an **additional INSET Day on Friday 11th June 2021**, where all students will **not attend** school that day. As with any other INSET day, work will not be set for the students to complete at home but they can take the opportunity to do homework or catch up on any other work.

This information will appear in all of the usual areas to ensure that all parents and carers are aware of it.

Kind regards

Mrs Christine McLintock
