

16-19 Bursary Fund Policy 2021/22

What is the 16-19 Bursary Fund?

The fund is made available from the government through its funding body, Education & Skills Funding Agency (ESFA), for 16-18 year olds to help students overcome the specific financial barriers to participation they face so they can remain in education.

There are 2 types of 16 to 19 bursaries:

- bursaries for defined vulnerable groups
- discretionary bursaries which institutions award using policies they set, in line with [government funding rules](#)

Who is Eligible to Apply for 16-19 Bursary Funding?

- Students following government funded full time or part-time courses, who are over 16 and under 19 years of age on 31st August 2021
- Students following government funded full time or part-time courses, who are aged 19 or over at 31st August 2021 and have an Education Health and Care Plan (EHCP)
- Students following government funded full time or part-time courses, who are aged 19 or over at 31st August 2021 and are continuing in a study programme they started whilst aged 16-18

Students must satisfy the residency criteria set out in the [ESFA funding guidance regulations](#).

Three groups of students are eligible to apply for a 16-19 Bursary:

Please note it must be the student in these categories and not their parents/ carers.

Students who meet one of the criteria below can apply for a discretionary bursary of up to £800 per year. The exact amount will depend on how much money the School is allocated by the government and the number of students who meet the criteria.

- Students who have been in receipt of Free School Meals at any time during Years 7-11
- Students whose household is in receipt of other means tested benefits

They must be entitled to the benefit in their own right and the evidence must confirm that the young person can be in further education or training (some young people in receipt of benefits are not allowed to participate).
- For students in receipt of Universal Credit, a copy of their Universal Credit Award notice. They must be entitled to the benefit in their own right. They must also provide additional documentation to confirm their independent status, for example a tenancy agreement in the student's name, a child benefit receipt, children's birth certificates, utility bills etc.
- For students receiving Universal Credit/Employment and Support Allowance and Disability Living Allowance and Personal Independence Payments, a copy of the student's Universal Credit or ESA award from DWP (UC claimants will be able to print off details of their award from their journal). How will Sir William Ramsay School assess applications and allocate 16-19 Bursary funding?

The 16-19 Bursary Fund is a limited fund and the school will prioritise allocation. The 3 groups will be prioritised: Group 1 = High, Group 2 = Medium and Group 3 = Low.

Students who are eligible for any level of funding should complete an application form and hand it to the Sixth Form Office as soon as possible after admission to the Sixth Form in September, but by **30th September 2021** at the latest.

A Bursary Fund Committee will meet to consider applications at all levels. Students who are deemed eligible should be aware that to continue to receive a bursary/ funding:

- There must be no unauthorised absences during the school day
- They must maintain a 95% attendance record
- They must maintain acceptable levels of behaviour and effort

The Bursary Fund Committee

The Bursary Fund Committee will normally meet three times per year (Autumn, Spring and Summer terms to consider and review applications). Emergency meetings may need to be called if applications are received part way through the year, with mitigating circumstances.

The Bursary Fund Committee will be made up of the Headteacher (Chair), the Business Manager and a Governor.

The Head of Sixth Form will not make decisions about applications, but they may offer information to the Committee about a student's circumstances, well-being, behaviour, progress and attendance. The Bursary Fund Committee also follows the relevant equalities legislation to ensure no students are discriminated against.

Students and their parents/carers should understand that the available fund is limited.

Payments

Wherever possible, bursaries will be paid in-kind rather than cash in order to help ensure that the bursary is spent for the reasons it was awarded.

Where bursaries have to be paid in cash, to receive payments, the student must have a bank account in their own name that will accept BACS payments.

For students who fall into the **Group 1** 'vulnerable' category, and are able to apply for up to £1,200 per year, payments will be made on a termly basis (i.e. 3 times a year) - £600 in term 1, £300 in term 2 and £300 in term 3. Applicants will be notified of the outcome of their application by the end of November.

For students in **Group 2** who qualify under the discretionary eligibility criteria, payments will be made on a termly basis (i.e. 3 times per year) - maximum of £400 in term 1, maximum of £200 in term 2 and maximum of £200 in term 3. Applicants will be notified of the outcome of their application by the end of November.

For students in **Group 3** who qualify under the discretionary eligibility criteria, payments will be made on an as needed basis after consideration by the Bursary Fund Committee. Group 3 applications will be considered for funding based on the school's allocation and subject to available funding after those in Groups 1 and 2 have been awarded. Payments may not be made until after 31st December 2021.

Please note that students will need to apply to the Bursary Fund at the beginning of Year 12 and again at the beginning of Year 13. We cannot guarantee that students will be eligible for the same amount each year.

Payments will also depend on very good attendance (no unauthorised absences) as well positive behaviour. This will be closely monitored. Payments can be withdrawn if students are not fulfilling these requirements.

All payments will be subject to review by the Bursary Fund Committee.

Appeals

Students are entitled to appeal against decisions made in relation to their application for a bursary or the withholding of payments. They should first raise their concerns with the Head of Sixth Form and, if this fails to resolve issues, they should follow the Compliments, Complaints and Resolutions Policy & Procedure which is available on the website.

Fraud

Fraudulent claims for bursary allocations will be referred to the Police. Students found to be making fraudulent claims will be required to refund all payments and may be asked to leave the school.
