

UNIFORM CODE

SEPTEMBER 2021

Sir William Ramsay School believes it is important to maintain a high standard of School Uniform. The school's uniform is designed to be smart and to signify pride in belonging to the school as well as the wider community. Any potential inequalities and negative group allegiances are also eliminated by the uniform dress code.

Students are expected to be smartly dressed at all times, including on their journey to and from the School.

RESPONSIBILITY

It is the responsibility of parents/carers to ensure that their son/daughter are appropriately dressed for school each day (see the [Home School Agreement](#)). We expect all students to wear the correct uniform as listed in this newsletter.

It is the responsibility of all members of staff to question students who attend school inappropriately dressed or not wearing full school uniform. Tutors are often the first staff to greet students in the morning and are therefore the first person, in a position of authority, to challenge students about their dress code. Students may then be referred to their Head of Year or the Student Support Team if necessary.

IN AN EMERGENCY

In an emergency, such as shoes splitting, a note to that effect from the parent/carer is necessary, as is their prompt attention to the matter. The school operates a uniform pass system for temporary problems. Requests to vary the uniform requirements for a particular reason, such as medical or religious needs, will always receive careful consideration.

WHAT HAPPENS NEXT

A student wearing non-uniform clothing will be issued with a note in their planner and this will be monitored. In the event of repeated uniform infringements parents/carers will be contacted.

In the case of jewellery and other accessories, the student will be asked to remove the item, which will be confiscated and can only be collected by that student, from the Student Support Office at the end of the week. If a student is unable to remove a piercing because they are stuck, they should be sent to the Student Support Office and a note will be written in their planner, a call home made and they will be kept for break and lunch detentions until the piercing can be removed.

If a student refuses to remove their jewellery for any reason and they do not have a note in their planner from Student Support, this will be treated as defiance and dealt with accordingly.

Phones and airpods/earphones (including all other types of earphones) that have been confiscated can be collect from the Student Support Office at the end of the day.

Students should raise any issues with their Tutor or the Student Support Team.

The School reserves the right not to accept the wearing of any item of clothing which is deemed to be inappropriate in terms of the stated uniform list. The Headteacher is the final arbiter on uniform.

CORRECT UNIFORM

We recommend that all clothing/footwear is clearly marked with the student's name.

If in doubt, check with a member of Senior Staff, Head of Year or The Student Support Team before purchasing.

COST OF UNIFORM

We want to ensure that the cost of uniform does not deter any student from applying to the school or lead to them feeling socially excluded or unable to afford other necessities.

Parents/Carers who are unable to provide their child with the required items of school uniform should contact the Student Support Team. Such approaches will be handled with the utmost discretion and sensitivity.

The uniform suppliers, costs and quality of the uniform are reviewed regularly to ensure that they provide good quality clothing at an affordable price.
